
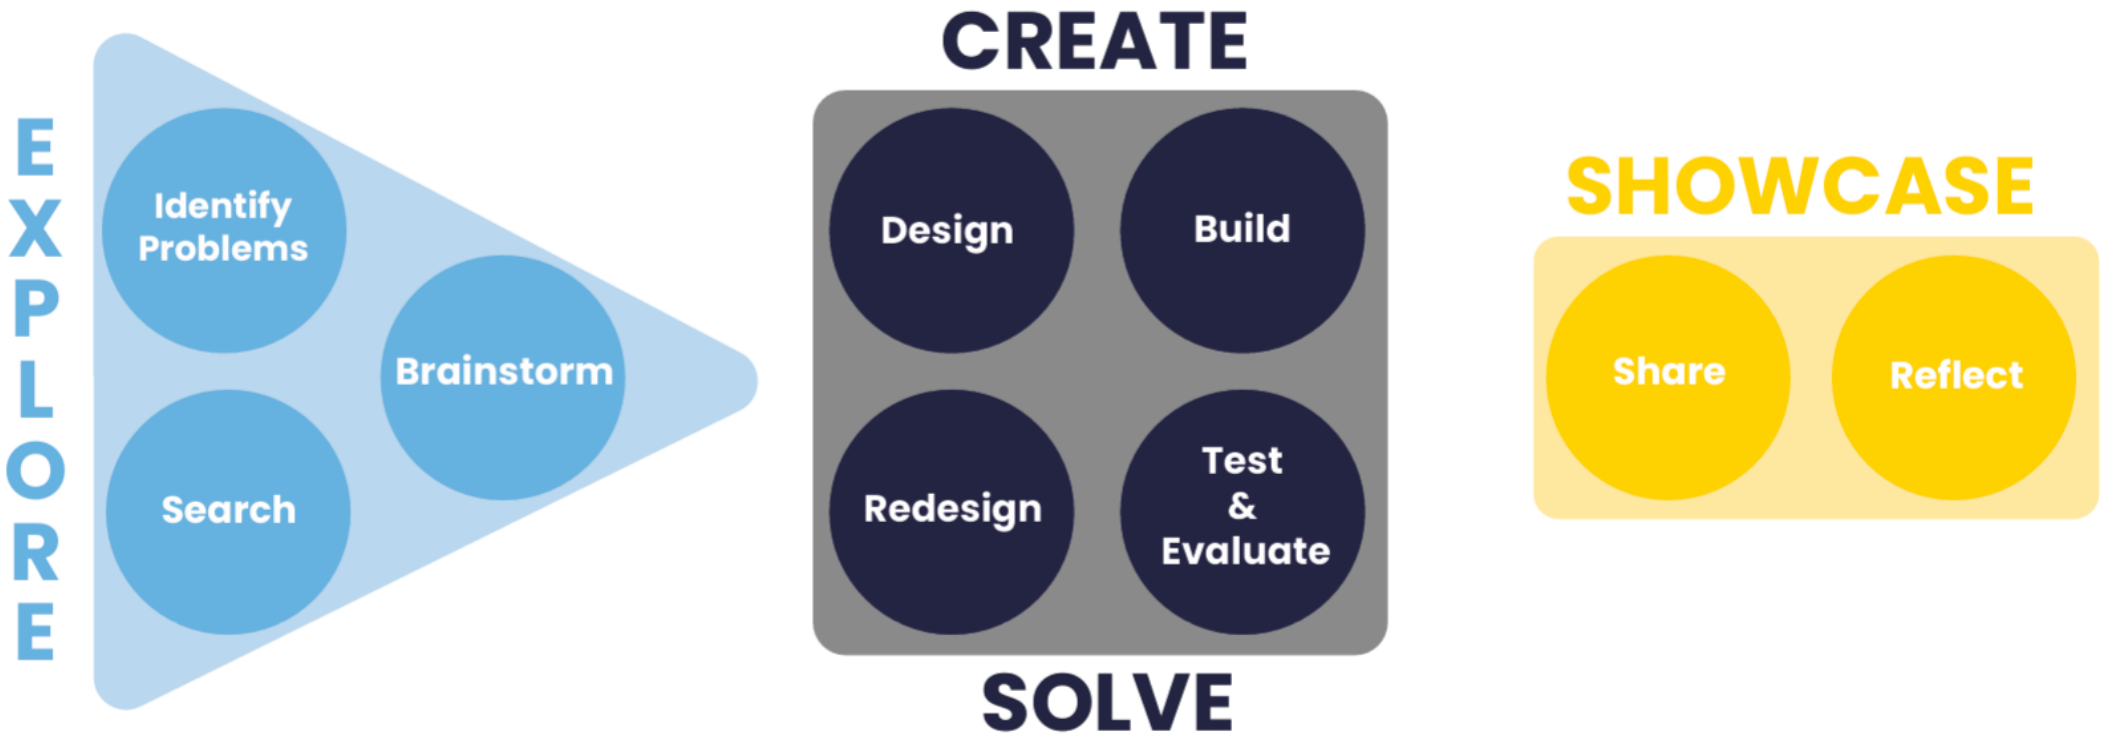
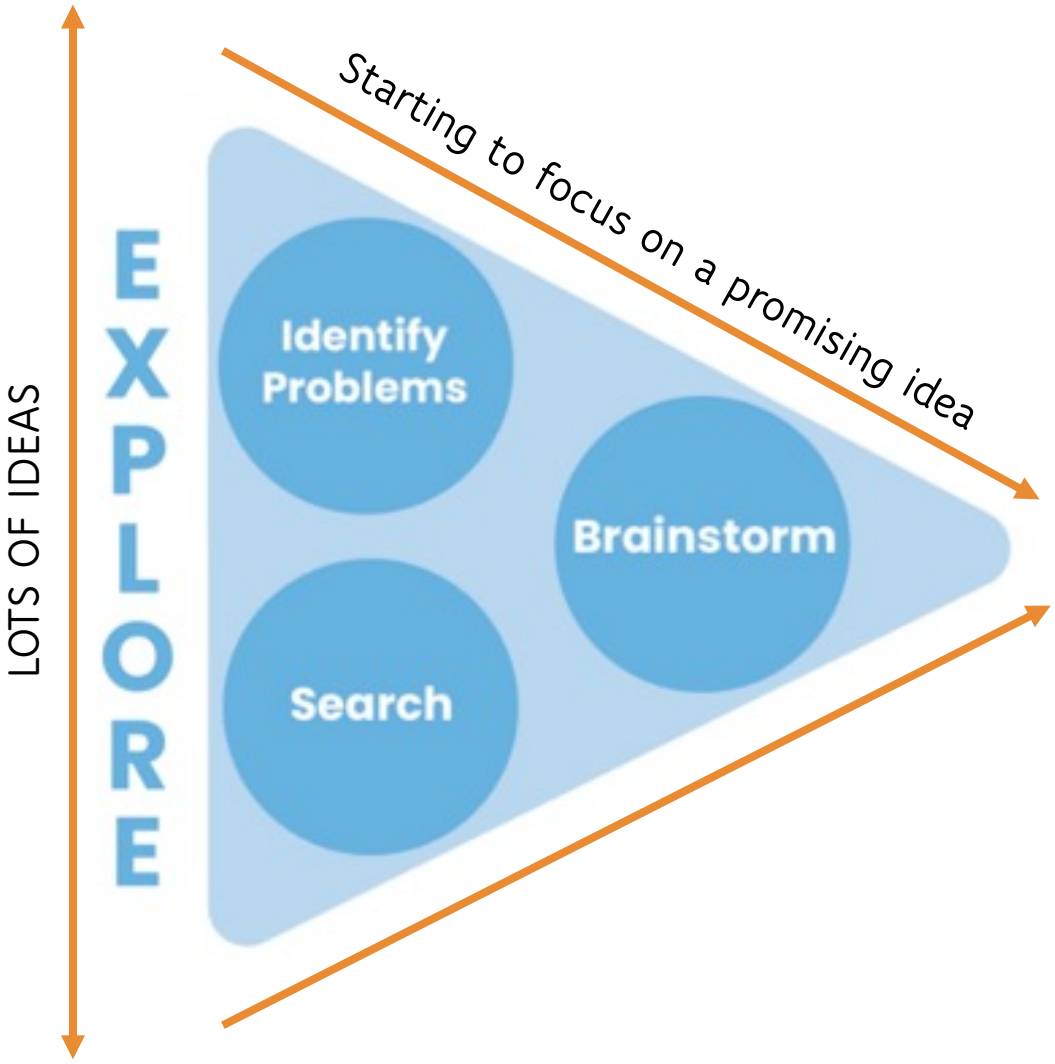
Level Up 2023/24

WITH AN EXCITING YEAR OF SCHOOL AHEAD, HOW WOULD YOU LIKE TO LEVEL UP YOUR CHARACTER? WHAT WOULD YOU LIKE TO LEARN OR IMPROVE THIS YEAR?



The STEMIA Design Process



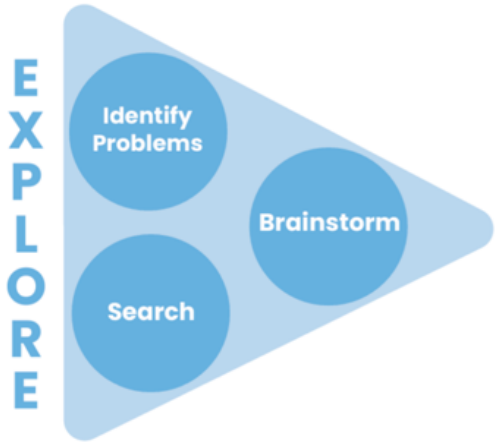
~6 Minutes

In pairs or small groups, introduce yourself by sharing one of your strengths or proficiencies. Something you already are good at or know a lot about.

~4 Minutes

As a group, ideate (brainstorm) some ideas for skills or knowledge You might like to pursue this year. Try to think of lots!!!

List some of your strengths or proficiencies.



Brainstorm a BIG list of some possible ideas for growth and learning this year. Think about skills, tools, questions, and more…

~4 Minutes

Consolidate your list into your personal top 3 and finally your top choice.

(You will certainly tackle several this year, but which one are you most excited about?)

~6 Minutes

Take turns sharing them with your group.

****As you listen to each partner's Level Up, think of a person, place or program to gift them that could help them in their journey.***

Write your personal top 3 that you would excited to learn more about this year. Put a *STAR beside the one that you are most excited about.

1.
2.
3.

People, Place, Programs, and Resources that could help you get there.

~10 Minutes

In the final box of the organizer, write your ‘Level Up’ goal for this school year.

Include some of the people, places or programs that you might use to help you achieve it.

This will be shared on our bulletin board ready to ‘showcase’ all of our ideas with our school community.
